

The Climb Above Scholarship will be awarded to a Plymouth State student who has persevered through any form of adversity, included but not limited to substance misuse, domestic violence, or homelessness. For more information on the scholarship, please contact Gene Martin '09 of University Advancement at epmartin@plymouth.edu.

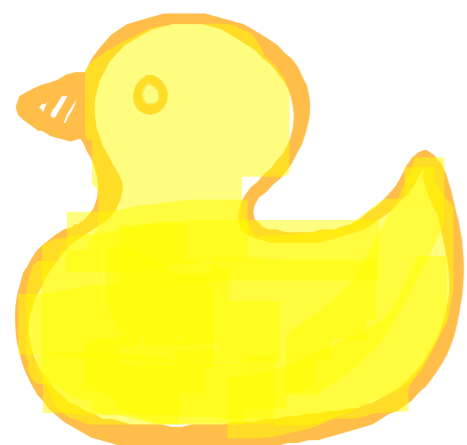

How it Works:

1. For every ticket purchased, a numbered duck will be assigned to you
2. On April 17th, a livestream will be held where 3 random ducks will be plucked
3. The "owners" of the ducks will be contacted (in order plucked) to choose prize.
